Hi Rachel

As per previous discussions, Kirsty Sykes will attend site in the week of 5 July to undertake further archaeological assessment. We hope to have a report presented to you as soon as practicable after this field work, and (assuming the results and recommendations meet your approval) we would hope to gain Heritage New Zealand support to the Proposed Plan Change prior to the hearing starting on 9 August (the earlier the better). Would it be possible please to have your brief written confirmation that this is as per our agreement? I would then forward this to the commissioners to confirm to them that this is our agreement.

Thanks and regards,

Hamish Crawford
