Hi,

██████████ called into GLC to drop off the H&S plan.

They mentioned that the Security plan was with the police. ██████████ has now sent me this which I have attached as well.

Apparently the police will be looking at but unable till until Monday.

I'm sure we will talk this afternoon.

Thanks

Alice Mellow

hi Alice,
As discussed, the attached Security Plan has been provided to the NZ Police this morning, for them to check and approve.
Sergeant ██████████ is on leave this week but the Plan will be sent to him and his boss for their approval, on Monday morning at the earliest we have been told.

You question about the 'pack in' timing is noted. Starting at 5 pm there is time for the helpers (8) to be provided with papers explaining the site plan, access doors and house keeping rules etc. All before guests start arriving for the 7 pm meeting.
The briefing pack will also include a contact number for the Police.

If you have any further queries then please ask.

Sincerely,
