Resource Consent Submission

Under Section 96 of the Resource Management Act 1991 Form 13

Please read carefully and print clearly

Notes to Submitter:

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in Part 11A of the Resource Management Act 1991.

If you make a request under section 100A of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners. You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least one of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language;
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

All submissions (including name and contact details) are published and made available to the public from our offices and on our website. Personal information will also be used for the administration of the notified resource consent process. All information collected will be held by Taupō District Council, 46 Horomatangi Street, Taupō, with submitters having the right to access and correct personal information.

Submission:

The specific parts of the application that my submission relates to are:

Setback from DOC Reserves
Density too high
Potential negative effect on dactylanthus.

My submission is:

☐ In support of the application or specific parts of it

☒ In opposition of the application or specific parts of it

☐ Neutral regarding the application or specific parts of it

Please detail the reasons for making your submission:

- 1/ *Concern re the reduced setback to DOC Reserves.*
I note access in several parts onto DOC reserves from initial Subdivision and thinning of the tree cover -
- 2/ *Concern re the effect on the dactylanthus in the reserve area.*
- 3/ *Concern re further access points into the reserve in spite of significant fence.*
- 4/ *No compliance with Kirok Plan re density*
(add additional pages as necessary)

I seek the following decision from the Taupō District Council:

10 m. Setback from DOC Reserves.
Reduce density closer to compliance
No further access points onto the reserve

(give precise details, including the parts of the application you wish to have amended and the general nature of any conditions sought)
