

Resource Consent Submission Form

Reference Number: REF250342350

Submitted On: 21/03/2025 05:49 p.m.

NOTES TO SUBMITTER:

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in Part 11A of the Resource Management Act 1991.

If you make a request under section 100A of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners. You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language;
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

All submissions (including name and contact details) are published and made available to the public from our offices and on our website. Personal information will also be used for the administration of the notified resource consent process. All information collected will be held by Taupō District Council, 46 Horomatangi Street, Taupō, with submitters having the right to access and correct personal information.

Submission

The specific parts of the application that my submission relates to are:	The developers application to put 5 x more houses than allowed by council regulations.
My submission is:	In opposition of the application or specific parts of it
Please detail the reasons for making your submission:	<p>The developer has repeatedly applied to put more than the 16 properties allowed by the Council regulations. The KCA took a survey of Kinloch residents and there is strong opposition to this. We only want the Council regulated 16 properties.</p> <p>We don't want additional light and noise pollution, and additional household putting pressure on the limited resources here. Residents don't want to change the nature of the village they moved here for, myself included. Residents' expressed concerns have not been heard by the developer who resubmits proposals to breach the Council regulations, presumably for his own profit but, in my opinion, to the detriment of the villagers.</p>

Alternatively, please upload document detailing the reasons for making your submission:

I seek the following decision from the Taupō District Council:	Keep to the Council regulations - 16 properties and no more.
Do you wish to attend the hearing?	No
Delegation of functions, powers and duties:	I do not request, pursuant to section 100A of the Act, that

you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority.
