

Resource Consent Submission Form

Reference Number: REF250352711

Submitted On: 27/03/2025 11:28 a.m.

NOTES TO SUBMITTER:

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in Part 11A of the Resource Management Act 1991.

If you make a request under section 100A of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners. You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language;
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

All submissions (including name and contact details) are published and made available to the public from our offices and on our website. Personal information will also be used for the administration of the notified resource consent process. All information collected will be held by Taupō District Council, 46 Horomatangi Street, Taupō, with submitters having the right to access and correct personal information.

Submission

The specific parts of the application that my submission relates to are: The application for subdivision and land use are non complying activities under Rules 4a.4.5 and 4a.2.13 of the Taupō District Plan; and the change of conditions is a discretionary activity under section 127 of the Resource Management Act 1991.

My submission is: In opposition of the application or specific parts of it

Please detail the reasons for making your submission: I seek that consent not be granted as it is a non-complying subdivision and will set a precedent in this and other rural areas.

N.B. Considerable planning went into Kinloch and resulted in the Kinloch Structure Plan. This sets limits relating to infrastructure and amenity. All subdivision should comply with existing District Plan rural rules and the still relevant Kinloch Structure Plan.

Alternatively, please upload document detailing the reasons for making your submission:

I seek the following decision from the Taupō District Council: Decline the consent.

Do you wish to attend the hearing? Yes

Do you wish to be heard in support of your submission? Yes

If others make a similar submission, will you consider presenting a joint case with them at the hearing? Yes

Delegation of functions, powers and duties:

I request*, pursuant to section 100A of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority (please refer to the Notes to Submitter on Step 1).
