

## Resource Consent Submission Form

**Reference Number:** REF250328995

**Submitted On:** 14/03/2025 06:23 p.m.

### NOTES TO SUBMITTER:

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in Part 11A of the Resource Management Act 1991.

If you make a request under section 100A of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners. You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;
- it contains offensive language;
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

All submissions (including name and contact details) are published and made available to the public from our offices and on our website. Personal information will also be used for the administration of the notified resource consent process. All information collected will be held by Taupō District Council, 46 Horomatangi Street, Taupō, with submitters having the right to access and correct personal information.

## Submission

**The specific parts of the application that my submission relates to are:** Increasing allowed amount of lot numbers from 16 to 68

**My submission is:** In opposition of the application or specific parts of it

**Please detail the reasons for making your submission:** There are current rules in place, in regards to lot sizes, that have been put in place by TDC and these should be adhered to. These rules are in place for a reason. I do not feel this proposal has Kinloch and Kinloch residents best interests at heart and is more for their own financial gain. As residents we understand overtime there is growth in an area, but if developers are then allowed to decrease already agreed lot sizes and consistently submit to over populate land areas, residents are going to be less welcoming of this growth. Let's not let greed over shadow a unique and quiet community that is a sought after area to live in.

Alternatively, please upload document detailing the reasons for making your submission:

**I seek the following decision from the Taupō District Council:** I seek that council declines this proposal of an increase from 16 lot sizes to 68 and stick with the original plan with this developer and any future requests from Seven Oaks.

I request that TDC adheres to the current rules in place.

**Do you wish to attend the hearing?** No

**Delegation of functions, powers and duties:**

I request\*, pursuant to section 100A of the Act, that you delegate your functions, powers, and duties to hear and decide the application to 1 or more hearings commissioners who are not members of the local authority (please refer to the Notes to Submitter on Step 1).
