The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

- it is frivolous or vexatious;
- it discloses no reasonable or relevant case;
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further;

Submission

The specific parts of the application that my submission relates to are: I do not agree with modifying the guidelines for Kinloch development by reducing lot sizes to get more houses in an area. The guidelines for development were established to maintain the Kinloch community as a community.

My submission is: In opposition of the application or specific parts of it

Please detail the reasons for making your submission: This design and lot spacing is more in line for what would be developed in Taupo. Taupo has the ability to support the infrastructure. This is a rural community and needs to be maintained as such. It is a huge disappointment that the developers are trying to change the intent of the community to get more profit. They need to be held to the standard of development that has been established and stop trying to modifying it slightly and resubmitting. It seems like its to get people tired of providing the same repetitively feedback.

Alternatively, please upload document detailing the reasons for making your submission:

I seek the following decision from the Taupō District Council: Reject the seven oaks submission and have them meet the intent for design for Kinloch.

Do you wish to attend the hearing? No

Delegation of functions, powers and duties: I request*, pursuant to section 100A of the Act, that you delegate your functions, powers, and duties to hear and

decide the application to 1 or more hearings commissioners who are not members of the local authority (please refer to the Notes to Submitter on Step 1).
